Keep Away

Silver Daggers

Sickness spilling through your eyes
Craving everything
That you thought was alive, yeah
Stab me yeah, in my heart again, ah yeah
Drag me through your wasted life
Are you forever dead?Do like I told you
Stay away from me
Never misunderstand me
Keep away from meTwistin' everything around that you say, yeah
Smack me in my mouth
200 times every other day
Oh, rag me, I don't hear you anymore, not yet
Find out what it means to me
I don't know who you areDo like I told you
Stay away from me
Never misunderstand me
Keep away from meDo like I told you
Stay away from me
Never misunderstand meDraggin' on so lonely
Aren't you tired baby? Yeah
Breathing life into your lungs
Are you immune to me?Do like I told you
Stay away from me
Never misunderstand me
Keep away from meDo like I told you
Stay away from me
Never misunderstand meKeep away from me, oh yeah
Never misunderstand me
Never misunderstand me
Never misunderstand me
