

# Get It Up For Love (Demo)

Ned Doheny

It's a tricky situation  
Hard to say just what the outcome will be  
If you saw the riddle you can save your soul  
Chase love's shadows till the river's running coldHey babe, get it up, get it up for love  
Get it up, get it up for love, babe  
Get it up, get it up for loveThere's a longing in the people  
No one knows just when the heartaches will cease  
You can free and tell her, you can stay and fight  
You can stand in line and scream, "Hey, it's just my right"  
Hey babe, get it up, get it up for love  
Get it up, get it up for love, babe  
Get it up, get it up for loveSo, a smile, another fallin' star  
So until we find  
Just put your hand in mine, oh yeahIt's a tricky situation  
Heaven knows just where the struggle must end  
If it takes forever, I'd got the time above  
I won't desert you when the tables have turnedHey babe, get it up, get it up for love  
Get it up, get it up for love, babe  
Get it up, get it up for love  
Get it up, get it up for love  
All the way for love, get it up all the way  
Get it up all the way
