Rose of Cimarron

Poco

Roll along, roll on
Rose of Cimarron
Dusty days are gone
Rose of CimarronShadows touch the sand and look to see who's standin'
Waitin' at your window, watchin' will they ever show?
Can you hear them calling? You know they have fallen on
Campfires cold and dark that never see a spark burn brightRoll along, roll on
Rose of Cimarron
Dusty days are gone
Rose of CimarronTrails that brought them home echo names the've known
Four days high and lonely comin' to you only
You're the one they'd turn to, the only one they knew who'd do
All her best to be around when the chips were down
