

# Regret It (ft. Webbie)

## Boosie Badazz

Hey thug, nigga get full of that shit  
Wake up the next morning and regret everything that happened  
Look, you can't be fucked up full of them drugs,  
nigga  
Fucked around and get stomped in the mud, nigga  
Drug like a rug fuckin' with thugs nigga  
Shot up all your people, pullin' the plug nigga  
Your homeboy gon' to die right at the club with cha  
Take your shit and hope you have your plug with cha  
You fuckin' with a G gon' make you have regrets about it  
You won't forget and you gon' have to pay a check about it  
I ain't with the bullshit so don't come with the bullshit  
You gon' regret the bullshit, you check me 'bout some bullshit  
No regrets, that was tatted on my old bitch  
I think she lyin', plenty times she missed the old dick  
Don't you regret when niggas testify on ya  
Turn pesticide on ya, make ya want to ride on 'em?  
He did what? We don't play that on my corner  
Cross the line, we gon' spray that on my corner, nigga  
Paid cash but he should have used debit (Now he regret it)  
Diamonds cloudy bitch you shoulda went to Texas (Now he regret it)  
Don't come 'round my neighborhood with all that flexin' (We gon' take it)  
Them boys hoes, I hope you ain't talkin' me and Webbie 'cause nigga

If it's beef, you better wet the kid 'cause I'm dangerous  
Don't be talkin' gangsta shit if you ain't 'bout that all the way  
Put you in the wheelchair, regrettin' you can't walk away  
When you play with Gs, cross the trap, you can't take it back  
Have your own people like 'why the fuck you play with that?'  
Pockets sittin' major fat  
Don't play with my guap, it's like a gangsta leavin' his pistol, man, the day he got shot  
Why the squad jumped Orlando, the feelin' I got it  
I was regretin' that whole incident when 'Pac got shot  
Wonder do Ja Rule, regret not shootin' Fif up  
Wanted to do Flip mane, regret not shootin' Tip up
