

At Last (VH1 Divas Live)

Christina Aguilera

At last
My love has come along
My lonely days over
And life is like a song At last
The skies above are blue
Well my heart was wrapped up in clover
The night I looked at you I found a dream That I could speak to
A dream that I could call my own
I found a thrill to press my cheek to
A thrill that I have never known well You smile
You smile
Oh and then the spell was cast
And here we are in heaven For you are mine at last
I found a dream that I could speak to
A dream that I could call my own
I found a thrill to press my cheek to A thrill that I have never known
Well
You smile
You smile Oh and then the spell was cast
And here we are in heaven
For you are mine at last
Ooo yea You are mine
You are mine
At last
At last At last
At last
