

# I'm Happy

## ProJoe

I've been sittin' here for a while  
Wishing I could finally see you smile  
I've been wanting to see you for a long time  
But everyday I grow farther from  
Everything I've done and everyone  
Here we go again I'm alone now  
We try so hard  
'Cause we don't know  
What we're looking for  
You try so hard  
Because you don't know  
What you're looking for  
Yeah, I try so hard  
Because I don't know  
What I'm looking for  
But yeah, I'm happy  
I'm happy now, I'm happy  
I don't know if I'll ever find you  
I don't know if I'll ever need you again  
'Cause I've been sitting here for so long  
Wishing I could write a brand new song  
Maybe it will remind you of a time when  
We try so hard  
'Cause we don't know  
What we're looking for  
You try so hard  
Because you don't know  
What you're looking for  
Yeah, I try so hard  
Because I don't know  
What I'm looking for  
But yeah, I'm happy  
I'm happy now, I'm happy  
I've been sittin' here for a while  
Wishing I could finally see you smile  
I've been wanting to see you for a long time  
But everyday I grow farther from  
Everything I've done and everyone  
Here we go again I'm alone now

We try so hard  
'Cause we don't know  
What we're looking for  
You try so hard  
Because you don't know  
What you're looking for  
Yeah, I try so hard  
Because I don't know  
What I'm looking for  
But yeah, I'm happy  
I'm happy now, I'm happy
