

# My Melancholy Baby

Ella Fitzgerald

Come to me, my melancholy baby  
Cuddle up and don't be blue  
All your fears are foolish fancy, maybe  
You know, dear, that I'm in love with you  
Every cloud must have a silver lining  
Wait until the sun shines through  
Cuddle up, my dear  
While, I kiss away each tear  
Or else, I shall be melancholy too  
Every cloud must have a silver lining  
Wait until the sun shines through
