Been With A Star

Omarion

You see me on TV
Different videos
I've got a new chick every week I know
Don't use that to judge me
Come and get to know me
Hopefully I can show you just what I'm all about.(You never know)
What you might be missin'
(Gimme a go)
Yes I'll beat your interest
(This is a show)
You won't be disappointed here's your invitation come on (right now)[Chorus]
Have you ever been with a star everywhere you go everybody knows you?
Have you ever been with a star?
24/7 red carpet,
Have you ever been a star?
It's obvious to see where you should be, with me have you ever been with a starI bet you never thought I'd wash my own dishes
I take out the trash girl you know I'm kidding
I know you're assuming that it's just a song
Only chasing groupies you couldn't be ma wrong.(You never know)
What you might be missin'
(Gimme a go)
Yes I'll beat your interest
(This is a show)
You won't be disappointed here's your invitation come on (right now)[Chorus]There's only so much I can say
To persuade you my way
(Oh girl) girl you need to trust in me
Forget about what you heard
Baby I'm gonna show you what I'm all about (baby)[Chorus]Have you ever been with a star?
Have you ever been with a star?
Have you ever been with a star?
It's obvious to see
