

# If You Go Away

[Julio Iglesias](#)

If you go away on this summer day  
Then you might as well, take the sun away  
All the birds that flew in the summer sky  
And our love was new and our hearts were high When the day was young and the night was long  
And the moon stood still for the night bird song  
If you go away, if you go away, if you go away But if you stay, I'll make you a day  
Like no day has ever been or will be again  
We'll sail on the sun, we'll ride on the rain  
We'll talk to the trees and worship the wind But if you go, I'll understand  
Leave me just enough love to fill up my hand  
If you go away, if you go away, if you go away If you go away, as I know you must  
There'll be nothing left in the world to trust  
Just an empty room full of empty space  
Like the empty look, I see on your face Can I tell you now as you turn to go?  
I'll be dying slowly till your next hello  
If you go away, if you go away, if you go away But if you stay, I'll make you a night  
Like no night has been or will be again  
I'll sail on your smile, I'll ride on your touch  
I'll talk to your eyes that I love so much But if you go I won't cry  
For the good has gone from the world, goodbye  
If you go away, if you go away, if you go away, if you go away
