

# Reach (Amaranth Demo Version)

## Nightwish

Baptized with a perfect name  
The doubting one by heart  
Alone without himself War between him and the day  
Need someone to blame  
In the end, little he can do alone You believe but what you see  
You receive but what you give Reach for the hand held heart through life  
For the dancer to arrive  
Reach and catch me before I fall Apart from the wandering pack  
In this brief flight of time  
We reach for the ones whoever dare You believe but what you see  
You receive but what you give Reach for the hand held heart through life  
For the dancer to arrive  
Reach and catch me before I fall Reach for a friend whoever cares  
For someone whoever dares  
Reach to catch me when I fall Reaching for the doubting one by heart  
Hearing voices calling  
Catch the one who's falling Reach for the hand held heart through life  
For the dancer to arrive  
Reach and catch me before I fall Reach for a friend whoever cares  
For someone whoever dares  
Reach to catch me when I fall
