The Reign

Diggy

This the type of joint to make my stock rise
The type of joint you gotta turn the volume clockwise
Hear it from down the block, haters turning counter clock
House parties, girls dancing on the counter top
The young boss, so do as he says
And Im only 16 yeah dieciseis
Ha! Lifes a beach and Im playing in her Sandbox
Im a lover not a fighter but my man box
Time flies and Ive never been afraid of heights
Only beef Ive ever had was with a plate of rice
It cost to warn, you n*ggas cant play the price
So I aint gotta say it, let alone say it twice..
Right? Ha! Yup!Chorus:
Gonna be a long ride, before I touch the ground (uh-ha-uh-ha-uh-ha)
They been waitin for a long time, but I aint fallin down (uh-ha-uh-ha-uh-ha)
Ouu-ouu-ouu-ouu-ouu (Yeah)
Verse:
Uh, they say I swerved in the fast lane
And Im only on cause my last name
Cant choose your family, but you can choose your friends
I got my own money now so help me choose a benz
Beamer, a Porsche, not a Lam
Im numb to the bull so Im kinda like whatev
Whatev? Yeah you know how I do
Unexpected Arrival now Im my idols, idol
If Kings are born then Im comin for my title
If Kings are born then Im comin for my title
If you aint get that then light one and sit back
Im out of here see you on the get back
D-I-G and its!Chorus:
Gonna be a long ride, before I touch the ground (uh-ha-uh-ha-uh-ha)
They been waitin for a long time, but I aint fallin down (uh-ha-uh-ha-uh-ha)
Ouu-ouu-ouu-ouu-ouu (Yeah)Verse:
I guess this is the time for me to give thanks
To everybody who participated by they ranks
Starting with God let me make that apparent
And of course I wouldnt be here if it wasnt for my parents
P-Water, Shawn Barron, Violator and Atlantic
Pop oak in the dunes girls looking for the clearance

Now that that matters all settled
Its back to the grind like breaks down to the metal
All black everything, except for the kicks
If the bottoms aint red its the J its the six
Can you stand the rain, New Edition post bobby
I know yall thinking
Damn this lil man so cocky
Im just me though!
Thankful!
U.A.!
