Candy Kisses

Roy Acuff

Candy kisses wrapped in paper
Mean more to you than any of mine
Candy kisses wrapped in paper
You'd rather have them any old timeYou don't mean it when you whisper
Those sweet love words in my ear
Candy kisses wrapped in paper
Mean more to you than mine do dearI build a castle out of dreams, dear
I thought that you were building one too
Now my castles all have fallen
And I am left alone and blueOnce my heart was filled with gladness
Now there's sadness only tears
Candy kisses wrapped in paper
Mean more to you than mine do dear
