Hello

Dot Rotten

[Jonghyun] When I see myself during these times
I feel that I really am young
Even with you in front of me
I don't know what to do
[Onew] To the people who are in love
Please tell me how you started to love
[Taemin] Will the day I hold her hand ever come?
[Jonghyun] Will the day I kiss her above her closed eyes also come?
[All] Hello, hello
[Key] I brought up the courage
[All] Hello, hello
[Onew] I want to talk to you for a moment
[All] Hello, hello
[Jonghyun] I may be rushing a bit
[All] Who knows? We might
[Taemin] End up doing well
[Minho] Whether I should approach you
Or wait a little longer
[Jonghyun] With everyone saying different things
Makes it much harder ([Onew] You might not believe me)
[Key] She has higher standards than she seems
[Onew] This kind of thing is uncommon for me
Please believe what I say
[Taemin] Will the day I casually hold her come?
[Onew] I believe everything will turn out the way you think it will
[All] Hello, hello
[Jonghyun] I brought up the courage
[All] Hello, hello

[Key] I want to talk to you for a moment
[All] Hello, hello
[Taemin] I may be rushing a bit
[All] Who knows? We might
[Jonghyun] Oh yeah
It's not my first time to be honest
I've loved and broken up before
[Onew] But it's hard, please believe these words
[Jonghyun] You are different
[All] Hello, hello

[Minho] I'll bet my all this time
[All] Hello, hello
[Key] Ooh yeah, baby baby baby girl
[All] Hello, hello
[Jonghyun] I don't know how you feel right now
[All] Who knows? We might
[All] Hello, hello
Hello, hello
[Onew] Please give me a chance
[All] Hello, hello
[Jonghyun] I don't know how you feel right now
[All] Who knows? Two of us
[Onew] Might be destiny
([Minho] Hello, the times I spent by your side
Can no more compare to any other happiness
I can't express myself to you
My heart wants all of you, never let you go
If this is love, I'll never let it go
Who knows? The two of us)
[All] Hello, hello
