

# Good (feat. Trife Da God, Mr. Maygreen)

## Ghostface Killah

[Ghostface Killah (Mr. Maygreen)]

Hey yo, what up party people (Yeah, my name's on the guest list)

This is the Wallabee kingpin in the building (As Mr. Maygreen, good evening)

Right about now, I'm about to show you how good we are (I'm in the club, I'm)[Chorus: Mr. Maygreen]

(Good), I look so, (good), the car look

(Good), I'm in the hood, and I'm OK

(Good), the jewels look, (good), the girls look

(Good), they all from around the way

(Good), hey there, (good), look at you

(Good), me, I'm just passing by

(Good), look at her, (good), time out

(Good), I think I'll give the game a try[Ghostface Killah]

Hey yo, my rose was good, plus my face was good

The way I wear my jeans up over my boots is hood

And my cash is good, the grass, spread it out, over the hash is good

The grasp who be hypecast is good

That's the bird that fucked the game up

Cut the head off lames and platinum niggas, your boy done came up

Got my aim up, favorite bling with a millennium chains

Chilling, in the staircase, surrounded by killings

With bank rolls, bang those, bang your main hoes

You was in love with the pussy, it ain't the same though

Cause I'm good, she's good, so you should be good

Hit her with the stiff one, she callin' me wood

And we don't love those hoes, with they flat butts caked up

And tipped up toes, need an ill plastic surgeon to fix they nose

Cause they shit is too fat like an Adidas sole

Don't even touch my gold, I'm good[Bridge: Mr. Maygreen]

I know you heard it a thousand times

Not quite like my design

You say that's what you looking for

Gator boots walk through the door, now[Ghostface Killah (Mr. Maygreen)]

(Good) Theodore's good, (good), my team is good

(Good) My robes is good, (I'm so good)

(Good) My moms is good, (good), my style is good

(Good) My queen is good, yeah, come on, (I'm so good)

(Good) The days is good, (good), babies is good

(Good) Wifes is good

(Good) The hood is good, (good), God is good

(Good) Everything is good, come on, let's go[Ghostface Killah]  
Goose over ice cubes, pass the O.J.  
Two light skinned wizzes, want Ghost, on both ways  
Come here, sit on my lap, it's not a gat, sugar  
Have a seat, don't be afraid to move back  
Feel that? You're a nasty girl  
Big butt, slim gut, I'll crash your world  
It's not polite to bend over in Starkey face  
Sheer lace, fat ass, got want me to taste that  
Lodi dodi, with a coke shaped body  
And my jewels hang low like my balls in the potty  
And I dare ya'll to try to rob me  
Theodore U, we got the army  
A-Town to Mariner's Harby  
Wild West, Now Born, go hard, G.  
Killa Hill, Stapletown, Port Rich' kids  
Pack heat, like I was pulling out biscuits[Bridge][Chorus][Trife Da God]  
When we on the block bubbling rocks, watching for cops  
Holding glocks in and out of the spots, (it's all good)  
When we overseas, getting that cheese, whipping the hottest V's  
Blowin' exotic trees, player, (it's all good)  
When I'm in the whip, sunk in the six, drunk off the liqs  
Pull up, stunting, fronting for chicks, (it's all good)  
When we on stage getting them Grammy's, snatching them panties  
Jet skiing off the shores of Miami, (it's all good)[Bridge][Ghostface Killah]  
Yeah, told y'all before, another Theodore Production  
This is how we go in the 06 to 07, come on, come on[Chorus]
