Don't Look Back

Olga

Donâ€™t look back, I wonâ€™t be waiting for you
Donâ€™t look back, this time Iâ€™m going through

Too many times
We know it ainâ€™t right
I keep waking away
But you still wanna fight
Tell me now that you can see it too
Say the words, baby itâ€™s time to

Donâ€™t look back, I wonâ€™t be waiting for you
Donâ€™t look back, this time Iâ€™m going through

Canâ€™t say Iâ€™m good
There is no easy way
Got nothing to prove
I just wanna lay in bed today
Itâ€™s far too sad to even cry about
Oh Lord, I need your help now

Donâ€™t look back, I wonâ€™t be waiting for you
Donâ€™t look back, this time Iâ€™m going through

I wish you well I really mean it
I hope you find the love your needing

Now, donâ€™t look backâ€¦.
