

Loud and Loaded

Lordi

You were about eleven when your sister pissed you off,
you chopped off her finger and ate it in a hot dog,
you just smile, and shook your head,
the next time she know she'll be dead,
You seen mild, no one knows,
till you explode! You're loud and loaded!

With Rock'n'Roll!

Like nitro on fire!

You're loud and loaded!

With Rock'n'Roll!

Like a hot tension wire

(Rock! Out!)

Loud and loaded!

(Rock! Out!)

Loud and loaded!! Hahahaha25 December and your brother's baby cried,
you threw it out the window just to see the kid fly!

Mom and dad was kind of sad,

they nit you on till you've got mad,

they never learn, so you live the match,

and watch them burn! You're loud and loaded!

With Rock'n'Roll!

Like nitro on fire!

You're loud and loaded!

With Rock'n'Roll!

Like a hot tension wire

You're loud and loaded!

With Rock'n'Roll!

Like nitro on fire!

You're loud and loaded!

With Rock'n'Roll!

You're loud and loaded! Loud and loaded!

With Rock'n'Roll!

Like nitro on fire!

You're loud and loaded!

With Rock'n'Roll!

Like a hot tension wire

You're loud and loaded!

With Rock'n'Roll!

Like nitro on fire!

You're loud and loaded!
With Rock'n'Roll!
Like a hot tension wire
(Rock! Out!)
Loud and loaded!
(Rock! Out!)
Loud and loaded!
(Rock! Out!)
Loud and loaded!
(Rock! Out!)Loud!
