

# Isabella of Castile

## STREKR

I know,  
I should go,  
But I want,  
To stay here with you,  
In this rooom,  
I can tell,  
You'll never be all mine,

Never mine, okay  
Never mine, okay

I know,  
You have to go,  
But I want,  
To keep you to myself,  
Like a dream,  
I can tell,  
You'll never be all mine,

Never mine, okay  
Never mine, okay
