Shiverman

Fat Freddy's Drop

Yeah-ohh
All day tellin' me to shake it loose
All day tellin' me to shake it loose
All day tellin' me to shake it loose
All day tellin' me to shake it loose
(Keep away from me)
All day tellin' me to shake it loose
(Keep away from me)
All day tellin' me to shake it loose
(Keep away from me)
All day tellin' me to shake it loose
(Keep away from me)
All day tellin' me to shake it loose
Way-ohh
Way-ohh
Way-ohh
Way-ohh
Way-ohh
Way-ohh ohh ohh ohh ohh ohh ohh
That guh' go shake it loose
That guh' go shake it loose
That guh'
That guh'
That guh' go shake it loose
Shake that shiverman uh
Hairs on the back stand uh
Belly cold tight frame uh
Got me lookin' like a runaway
(Lookin' like a runaway)
Head down to the ground
Captivated by the sound
Try but you can't speak
When you're motivated by deceit
Motivated by deceit
Deceit,
Deceit,
When you're motivated by deceit
Deceit
(I don't know)

Deceit,
(I don't know)
(x 22)
Shake that shiverman loose
Shake that shiverman loose
Shake that shiverman loose
Oh low
Shake that shiverman loose
Shake that shiverman loose
Shake that shiverman loose
Oh low
Shake that shiverman loose
Shake that shiverman loose
Shake that shiverman loose
Oh low
Shake that shiverman loose
Shake that shiverman loose
Shake that shiverman loose
Oh low, ohh woah woooaaahh
Shake it now loose yeah
Shake it now loose
Oh yeah (oh yeah)
Don't keep tellin' me, what I should do-see
I can do what ever I please
That's just the shiverman and his crooked plan
To bring a good man to his knees
On your TV, in your papers, it's all the pretty things
They gettin' guilty for being who you be be
Don't you worry, I know and I never want you to feel alone
No you always got nowhere to go woah woah
Never want you to feel alone
No you always got nowhere to go go go go
Going yeah yeah yeah
Woooaah oo oo oo oo.
Now I'm making my way back home
I still got far to go
Now I'm making my way back home
Woooaah oo oo oo oo
Now I'm making my way back
Making my way back
Making my wayyy
Woooaah oo oo oo oo
Woooaah oo oo oo oo
Now I'm making my way
