

# Strobelite (feat. Peven Everett)

## Gorillaz

Momentary pain  
Can be pleasure lain  
Millisecond change  
Magic lantern strange  
Are we just too far to be as one again?  
Are we obsidian?  
Is this how it is?  
Girl, your life will turn  
Just like a strobe  
'Cause you're daddy's pain  
And your mother won't  
And your heart engages into heartless throes  
Are we obsidian?  
Is this how it goes?When you're drivin' night is dreamin'  
(Livin' the strobe light)  
And you will find the life you needed  
(Livin' the strobe light)Slide the light off you  
You may find some peace  
All will come to you  
If you come with me  
Are we just too far to be as one again?  
Are we obsidian?  
Is this how it ends?  
(Yeah!)When you're drivin' night is dreamin'  
(Livin' the strobe light)  
And you will find the life you needed  
(Livin' the strobe light)And when you're drivin' night is dreamin'  
(Livin' the strobe light)  
And you will find the life you needed  
(Livin' the strobe light)And when you're drivin' night is dreamin'  
(Livin' the strobe light)  
And you will find the life you needed  
(Livin' the strobe light)And when you got it  
And think you're dreaming  
You hit the light  
You've got to find it, we all need it  
We hit the lightAnd when you got it  
And think you're dreaming  
You hit the light

You've got to find it, we all need it  
We hit the light
