

Loaded

Zz Top

Yeah
Yeah
Loaded
Gonna have a good time
Loaded
Gonna have a good, good time
Don't you know that I wanna get loaded
Ooo hoo ya o yea
Mmm, lit
Brighter than my butane
I said, "Lit"
Yeah, hotter than my low down, aaa
Take me inside out, 'til I'm gone insane
Well
Oh yeah, Shellac
Loaded, loaded, locomotive
Loaded, loaded, disembodied
(Oh, let's fry)
Like a Paxton blo'er
Like a Paxton twist
Black Cadillac
Umm, aphrodisiac
Loaded
Tankin', skankin' with the rank an' file
Load me up
Gettin' it good for a little while
Don't you know that I wanna get loaded?
Eee yeah, now put me up
Loaded, loaded, locomotive
Loaded, loaded
Oh, don't you just know it?
Oo, harpoons, loaded
Well
Like a Bridgette Bardot
Like a French high roll
