

# Breathe

Faith Hill

I can feel the magic floating in the air  
Being with you gets me that way  
I watch the sunlight dance across your face  
And I've never been this swept away  
All my thoughts just seem to settle on the breeze  
When I'm lying wrapped up in your arms  
The whole world just fades away  
The only thing I hear is the beating of your heart  
And I can feel you breathe, it's watching over me  
And suddenly I'm melting into you  
There's nothing left to prove  
And baby, all we need is just to be  
Caught up in the touch, slow and steady rush  
Baby, isn't that the way  
That love's supposed to be  
I can feel you breathe, just breathe  
In a way I know my heart is waking up  
As all the walls come tumbling down  
Closer than I've ever felt before and I know  
And you know there's no need for words right now  
As I can feel you breathe, it's watching over me  
And suddenly I'm melting into you  
There's nothing left to prove  
Baby, all we need is just to be  
Caught up in the touch, slow and steady rush  
And baby, isn't that the way  
That love's supposed to be  
I can feel you breathe, just breathe  
Caught up in the touch, the slow and steady rush  
And baby, isn't that the way  
That love's supposed to be  
I can feel you breathe, just breathe  
I can feel the magic floating in the air  
Being with you gets me that way
