

Change Of Heart

Atozzio

An address book full of numbers
With no one I really wanna call
I been thinkin bout you all summer
Your friends say you're comin back this fall I know those things I said to you before, girl
But that was when I didn't wanna fall
But now I really feel I'm goin under
Cause I didn't read the writings on the wall I spend my whole day thinking of you
& everything I said I wouldn't do (oooo baby)
But if we get together I know you will hold me down (I know you'll hold me down)
I know I said I wasn't lookin for love (I wasn't)
But you the type of girl I know I could trust (I know it)
& if we get together I know you will hold me down (me down) And now I have a change of heart, oooo heart,
change of heart
(You make me have a change)
And now I have a change of heart, oooo heart, change of heart Do you think about me still I wonder?
Cause I don't hear from you anymore, at all (anymore at all)
I used to be the one that you'd run to (you'd run to)
Any time you needed just to talk
& now I'm all alone & it's my fault that I let you get away
I broke the chance to love you
& there's no one who makes me feel this way
It's getting harder pretending that I'm cool & I'm okay (ok, ok, ok) I spend my whole day thinking of you
& everything I said I wouldn't do (oooo baby)
But if we get together I know you will hold me down (I know you'll hold me down)
I know I said I wasn't lookin for love (I wasn't)
But you the type of girl I know I could trust (I know it)
& if we get together I know you will hold me down (me down) Cause baby...
And now I have a change of heart, oooo heart, change of heart
(You make me have a change)
And now I have a change of heart, oooo heart, change of heart What do I have to do? Yeah yeah yeah
To bring me back to you (oh girl)
If you know what I'm going through
Maybe you'd give me the chance to prove that I... I spend my whole day thinking of you
& everything I said I wouldn't do (oooo baby)
But if we get together I know you will hold me down (down)
I know I said I wasn't lookin for love
But you the type of girl I know I could trust
& if we get together I know you will hold me down And now I have a change of heart, oooo heart, change of
heart

(You make me have a change)

And now I have a change of heart, oooo heart, change of heart
