

Beautiful

Cracker

If you haven't heard it
If you don't know it
If you don't think it
You are beautiful
Saw you working at the coffee shop
Saw you walking down Telegraph
Pink mohawk and Doc Marten boots
Don't you know that you're beautiful?
Let's buy a record at Rasputin's
Let's see a show at Gilbert Street
An anarchists' rally at People's Park
Don't you know you're beautiful?
If you don't know it
If you haven't heard it
If you don't think it
You are beautiful
If you come to doubt it
If you don't feel it
If you haven't heard it
You are beautiful
Now you own your own coffee shop
Punk rock shows at matinees
You got a little house west of San Pablo
Don't you know you're still beautiful?
Two teenagers with blue Mohawks
Working at the local fruit co-op
Everything's different but nothing has changed
Don't you know that you're beautiful?
If you don't know it
If you haven't heard it
If you don't think it
You are beautiful
If you come to doubt it
If you don't feel it
If you haven't heard it
You are beautiful
Don't you know that you're beautiful
