

Coming Up Roses

Keira Knightley

When you were asleep
And I was out walking
The voices started to speak
And they wouldn't stop talking There were signs all around
It really got my mind racing
You were right all along
Something's gotta change Hold on
Hold on they're not for me
Hold on
Cause everything's coming up roses
Roses Now we're back on the street
Found a song that's worth singing
The blur that knows a defeat
While your victory bell's ringing My whole life's turned around
For this thing you keep chasing
You were right all along
It's me who's got to change Hold on
Hold on they're not for me
Hold on
Cause everything's coming up roses (Hold on, Hold on)
AAhh
(Hold on, Hold on)
AAhh
(Hold on, Hold on)
(Hold on, Hold on)
AAhh
(Hold on, Hold on)
AAhh
(Hold on, Hold on)
AAhh
(Hold on, Hold on) Hold on
Hold on they're not for me
Hold on
Cause everything's coming up
Roses (Everything's coming up roses
Everything's coming up roses
Hold on, Hold on) Roses (Hold on, Hold on
Everything's coming up roses
Hold on, Hold on

Everything's coming up roses
Hold on, Hold on)Roses(Hold on, Hold on)Roses
