## **Coming Up Roses**

## **Keira Knightley**

When you were asleep

And I was out walking

The voices started to speak

And they wouldn't stop talkingThere were signs all around

It really got my mind racing

You were right all along

Something's gotta changeHold on

Hold on they're not for me

Hold on

Cause everything's coming up roses

RosesNow we're back on the street

Found a song that's worth singing

The blur that knows a defeat

While your victory bell's ringingMy whole life's turned around

For this thing you keep chasing

You were right all along

It's me who's got to changeHold on

Hold on they're not for me

Hold on

Cause everything's coming up roses(Hold on, Hold on)

AAhh

(Hold on, Hold on)

AAhh

(Hold on, Hold on)

(Hold on, Hold on)

AAhh

(Hold on, Hold on)

AAhh

(Hold on, Hold on)

AAhh

(Hold on, Hold on)Hold on

Hold on they're not for me

Hold on

Cause everything's coming up

Roses(Everything's coming up roses

Everything's coming up roses

Hold on, Hold on)Roses(Hold on, Hold on

Everything's coming up roses

Hold on, Hold on

## Everything's coming up roses Hold on, Hold on)Roses(Hold on, Hold on)Roses
