

Can You Feel It

Timomatic

I don't know how I got here
But it doesn't even matter
I lost all in the darkness
With lights and stars and...

Somewhere in the distance
I hear the whisper
I can feel it calling me, calling me
It's just like a letter
telling me to let go
Coming from a voice that I can't see

To all my party people around the globe
Oh, oh, oh, this is the sound of the music taking hope
Can you feel that?
Oh, oh, oh, oh,
Can you feel it?

Somewhere in the distance
I hear the whisper
I can feel it calling me, calling me
It's just like a letter
telling me to let go
Coming from a voice that I can't see

To all my party people around the globe
Oh, oh, oh, this is the sound of the music taking hope
Can you feel that?
Oh, oh, oh, oh,
Can you feel it?
Can you feel it?
Can you feel it?

To all my party people around the globe
Can you feel it?
Oh, oh, oh, oh,
Can you feel it?
Oh, oh, oh, oh,
Can you feel it?
