

What If I Do

Foo Fighters

Back and forth that voice of yours keeps me up at night
Help me search to find the words that eat you up inside
I go side to side like the wildest tides in your hurricane
And I only hide what is on my mind because I can't explain What if I do love

What if I don't?

I'd have to lose everything just to find you

What if I do love

What if I don't

I'd have to lose everything just to find you It's my turn this solo burn so throw me in the fire

Trophies earned and lessons learned, my wicked little lies

We can pave new roads with the cold creed stones, wind them through the pines

Should I stay or should I go alone? I cannot decide What if I do love

What if I don't?

I'd have to lose everything just to find you

What if I do love

What if I don't

I'd have to lose everything just to find you Carolina, Caroline

Carolina, Caroline What if I do love

What if I don't?

I'd have to lose everything just to find you

What if I do love

What if I don't

I'd have to lose everything just to find you Carolina, Caroline

Carolina, Caroline

Carolina, Caroline

Carolina, Caroline
