The Reign

Blessthefall

I swear this time it's real.
I promise that I will keep true.
My heart belongs to you.
My heart belongs to you.

So let your love reign in my hallow land.
Been waiting all my life to feel this, make me whole again.
Just try and save me, just hold me in your hands.
Been waiting all my life to feel this, make me whole again.

All the time we spent just breaking out of this.
We made it out.
We are the ones with hearts of gold.
I'm still the kid you used to know.
And I got a lot to say.

Make me the light for the rest of the world.
Make me the light for the rest of the world.

So let your love reign in my hallow land.
Been waiting all my life to feel this, make me whole again.
Just try and save me, just hold me in your hands.
Been waiting all my life to feel this, make me whole again.
Just make me whole again.

You pulled me from my hell
You saved me from myself
And now this is who I am
At the end of the road
This is who I am
At the end of the road.

So let your love reign in my hallow land.
Been waiting all my life to feel this, make me whole again.
Just try and save me, just hold me in your hands.
Been waiting all my life to feel this, make me whole again.
Just make me whole again.
