

Heart

Eddie Fisher

(You gotta have heart, you gotta have heart)

You've gotta have heart

All you really need is heart

When the odds are sayin

You'll never win

That's when the gring should start

You've gotta have hope

Mustn't sit around and mope

Nothins half as bad as it may appear

Wait'll next year and mope

When your luck is battin zero

Get your chin up off the floor

Mister you can be a hero

You can open any door

There's nothin to it but to do it

You gotta have heart

Miles and miles and miles of heart

Oh it's fine to be a genius of course

But keep that old horse before the cart

First you've gotta have heart

You've gotta have heart

All you really need is heart

(When the odds are sayin you'll never win

That's when the grin should start)

You've gotta have hope

Mustn't sit around and mope

Nothins half as bad as it may appear

Wait'll next year and mope

When your luck is battin zero

Get your chin up off the floor

Mister you can be a hero

You can open any door

There's nothin to it but to do it

You gotta have heart

Miles and miles and miles of heart

Oh it's fine to be a genius of course

But keep that old horse before the cart

First you've gotta have heart
