Night Light

Jessie Ware

[Verse]
Here in the dark, it's funny how I never feel alone
Do you [?]
Here in the shadows, away from the light,
This darkness under which we hide.
Like a ghost I can not see
You?re the shadow behind me.

[Chorus]
You?ll be my night light, there when I go to sleep
You?ll be my night light, baby when I dream.
Under the moonlight, shining on the sea,
You?ll be my night light, watching over me.

[Verse]
Behind the glass, he?ll never leave
Let?s meet in when I don?t deserve to be
Strong when I am here.
I wish he caught how this heart soul, shadow man
Will you come for me?
Like a ghost I can not see
You?re the shadow behind me.

[Chorus]
You?ll be my night light, there when I go to sleep
You?ll be my night light, baby when I dream.
Under the moonlight, shining on the sea,
You?ll be my night light, watching over me.

[Bridge]
Not the way for us to go
Tell me where to follow.
I'm happy to be told
Happy to be told
I'm taking it apart for you to see
I could be falling to pieces
So let me fall
Let me fall into your shades

[Chorus]

You?ll be my night light, there when I go to sleep
You?ll be my night light, baby when I dream.
Under the moonlight, shining on the sea,
You?ll be my night light, watching over me.

[Outro]
Watching over meeeee
Watching over meee.
