

# Vortex

## Bowsar

Internal combustion  
Multiple personalities  
Terror inside of me  
A mask of silent agonyCurse the falling rain  
The vortex of painAs medieval as Merlin  
A pact for power was made  
Lucifer in transition  
It's time, time the price was paidScorchin' the domain  
The vortex of painA telestic message  
Written in torment  
Howl out dirges  
Like the horns of Jericho  
Distorted faces  
Writhin' in rage  
Walls of purgatory  
Tumble down  
Endless death  
The jewels of a crown  
The jewels of the crown
