## Karl Wolf

A mister mister Karl Wolf in a Ghetto Love
A mister mister Kardinal in a Ghetto Love
A mister UGP in a Ghetto Love
In a ghetta love, in a ghetta ghetta ghetta ghetta ghetta wohooooooo
[Chorus]I am the man who will fight for your heart and
I'll be the hero that your dreamin' of
We'll live forever
Knowin' together
That we did it all for this ghetto ghetto love
I take back everything I said it don't mean nothing
Cause the fight we had so many though
A Ghetto Love
I tell you that you gotta let me visit my son
But then you tell me no
A Ghetto Love
But shawty I can't
Take my eyes away
Even though we can't
get alone today
I made that promise to you that faithful day
So I say
[Chorus]I am the man who will fight for your heart and
I'll be the hero that your dreamin' of
We'll live forever
Knowin' together
That we did it all for this ghetto ghetto love
I'm lookin' at this sexy girl from a distance
She's so damn style i'mma witness
Let me tell ya wohooooo
Move that thing ya wohooooo
Let me tell ya
And then I take her to the parking line
Jump into my car and straight to my spot say wohooo
Then she started a fight as she stepped out the club
Only cause a fan trying give me a little hug
So I say

[Chorus]I am the man who will fight for your heart and
I'll be the hero that your dreamin' of (Ghetto Love)

We'll live forever
Knowin' together
That we did it all for this ghetto ghetto love
Everybody say now
Ghetto for the Ghetto for the ghet Ghetto Love
Everybody say now
Ghetto for the Ghetto for this Ghetto Love
[Kardinal Offishall rap]I can't shake when I'm
on her Ghetto Love
With a Ghetto girl
Everyday's a fight now
We get a world
I gotta get away while
The getting is good
And get top and grind
Let me think like I know I should
Bue every woman
Needs a little big more than would
She expects that from me cause she know I would
Do anything, anywhere, everytime for my shorty even though
We bicker I came right back to get her
Pull her clothes 'till her body say hello
This is Kardinal and Mister Wolf Ga Letto
[Chorus]I am the man who will fight for your heart and
I'll be the hero that your dreamin' of (I'm your hero)
We'll live forever
Knowin' together
That we did it all for this ghetto ghetto love
Everybody say now:
Ghetto for the Ghetto for the Ghet Ghetto Love
(X2)
And I'll fight for you until the end of time
Everybody say now Ghetto for the Ghetto
For this Ghetto Love
