

Left Outside Alone (Radio Edit)

Anastacia

All my life I've been waiting
For you to bring a fairy tale my way
Been living in a fantasy without meaning
It's not okay I don't feel safe
Left broken empty in despair
want to breath can't find air
Thought you were sent from up above
But you and me never had love
So much more I have to say
Help me find a way
And I wonder if you know
How it really feels
To be left outside alone
When it's cold out here
Well maybe you should know
Just how it feels
To be left outside alone
To be left outside alone
All my life I've been waiting
For you to bring a fairytale my way
Been living in a fantasy without meaning
It's not okay I don't feel safe
I need to pray
Why do you play me like a game?
Always someone else to blame
Careless, helpless little man
Someday you might understand
There's not much more to say
But I hope you find a way
Still I wonder if you know
How it really feels
To be left outside alone
When it's cold out here
Well maybe you should know
Just how it feels
To be left outside alone
To be left outside alone
All my life I've been waiting
For you to bring a fairytale my way
Been living in a fantasy without meaning
It's not okay I don't feel safe
I need to pray
And I wonder if you know
How it really feels
To be left outside alone
When it's cold out here

Well maybe you should know
Just how it feels
To be left outside alone
To be left outside alone All my life I've been waiting
For you to bring a fairytale my way
Been living in a fantasy without meaning
It's not okay I don't feel safe
I need to pray
