

Firecracker

Cheryl

Girl I'm watching you
 And you ain't got a clue
 But I know what is coming boo
 I know you got plans
 Put your hands on my man
 In your Louboutins
 And your Lanvin wristband Girl you're made of plastic
 Think you're so fantastic
 But I know your gymnastics
 They do nothin' for my man
 He love a girl who can dance
 Not a girl with implants
 And a fake tan
 Wham, bam, thank you ma'am (Hey, hey, hey, hey, hey, hey, hey, hey)
 Now I'm lit up like a firecracker
 Don't do well with a man highjacker
 My man's so cool
 You know he just flattered
 But you better run girl
 Before I catch ya' catch ya'
 Yeah I'm lit up like a firecracker
 I see you, just another man highjacker
 Hands off, 'fore I take you down with my swagger
 Hands off now, hands off highjacker
 (Hey, hey, hey, hey, hey, hey, hey, hey) Highjacker
 (Hey, hey, hey, hey, hey, hey, hey, hey) Highjacker Now there's a million of you
 No you ain't nothing new
 Just a groupie tryin'a slide into the V.I.P
 And drink our Honey jack
 You keep throwin' em on back
 Tryin'a kidnap
 But girl that's my man Girl I'm watching you
 And you ain't got a clue
 But I know what is coming boo
 I know you got plans
 Put your hands on my man
 In your Louboutins
 And your Lanvin wristband (Hey, hey, hey, hey, hey, hey, hey, hey)
 Now I'm lit up like a firecracker

Don't do well with a man highjacker
My man's so cool
You know he just flattered
But you better run girl
Before I catch ya' catch ya'
Yeah I'm lit up like a firecracker
I see you, just another man highjacker
Hands off, 'fore I take you down with my swagger
Hands off now, hands off highjacker
(Hey, hey, hey, hey, hey, hey, hey, hey) Highjacker
(Hey, hey, hey, hey, hey, hey, hey, hey) Highjacker
(Hey, hey, hey, hey, hey, hey, hey, hey) Highjacker
(Hey, hey, hey, hey, hey, hey, hey, hey) You better run girl
Before I catch ya, highjacker You better run girl
Before I catch ya, highjacker You better run girl
Before I catch ya, highjacker You better run girl
Before I catch ya, highjacker Now I'm lit up like a firecracker

Don't do well with a man highjacker
My man's so cool
You know he just flattered
But you better run girl
Before I catch ya' catch ya'
Yeah I'm lit up like a firecracker
I see you, just another man highjacker
Hands off, 'fore I take you down with my swagger
Hands off now, hands off highjacker
(Hey, hey, hey, hey, hey, hey, hey, hey) Highjacker
(Hey, hey, hey, hey, hey, hey, hey, hey) Highjacker
(Hey, hey, hey, hey, hey, hey, hey, hey) Highjacker
(Hey, hey, hey, hey, hey, hey, hey, hey) Highjacker Now I'm lit up like a firecracker

Don't do well with a man highjacker
My man's so cool
You know he just flattered
But you better run girl
Before I catch ya' catch ya'
Yeah I'm lit up like a firecracker
I see you, just another man highjacker
Hands off, 'fore I take you down with my swagger
Hands off now, hands off highjacker
(Hey, hey, hey, hey, hey, hey, hey, hey) (Better run girl, better run girl) Highjacker
(Hey, hey, hey, hey, hey, hey, hey, hey) (Better run girl, better run girl) Highjacker
(Hey, hey, hey, hey, hey, hey, hey, hey) Highjacker
(Hey, hey, hey, hey, hey, hey, hey, hey)
