Ever-frost

Sentenced

The accusations and the blame...
True or false, they seem the same
Filthy fingers rise in rows
And out of shit a flower growsI'm amazed how damn low people can go only by being themselvesThose with hearts of ever-frost
Always know we never lost
Flames rose high... Not enough to melt the ice
Tiny minds and virtuous whores
A bunch of morons with a cause
Jesus saves? - We will piss upon your graves!Three wise men came to the north
On their donkeys they rode forth
Whining I'd committed sins
Moaning on to everythingStill amazed how a whole trio of men can have only two brain cellsThose with hearts of ever-frost
Always know we never lost
Acid rain: Urine on your flames
(Urine on your flames, Urine on your flames)Those with hearts of ever-frost
Always know we never lost
Flames rose high... Not enough to melt the ice
Tiny minds and virtuous whores
A bunch of morons with a cause
Jesus saves? - We will piss upon your graves!Placid rain: Urine on your graves
