## **Crash Test Dummies**

So no one told you life was gonna be this way
Your job's a joke, you're broke, your love life's DOA
It's like you're always stuck in second gear
When it hasn't been your day, your week, your month
Or even your year, butI'll be there for you
When the rain starts to pour
I'll be there for you
Like I've been there before

I'll be there for you

'Cause you're there for me tooYou're still in bed at ten, though work begins at eight You burned your breakfast, so far things are going great

Your mother warned you there'd be days like these

But she didn't tell you

When the world was brought down to your knees

ThatI'll be there for you

When the rain starts to pour

I'll be there for you

Like I've been there before

I'll be there for you

'Cause you're there for me tooNo one could ever know me. No one could ever see me Seems your the only one who knows what it's like to be me

> Someone to face the day with Make it through all the mess with Someone I'll always laugh with Even at my worst, I'm best with

> > You - yeah

It's like you're always stuck in second gear
When it hasn't been your day, your week, your month
Or even your year, but I'll be there for you
When the rain starts to pour
I'll be there for you

Like I've been there before

I'll be there for you 'Cause you're there for me too
