jojo

Chris Moss Acid

Look out behind you
Jojo's got his gun
He wouldn't mean to
You know he likes his fun
Jojo dig those spinning lights
Way out games and dizzy heights below him
Jojo dig those Broadway nights
Flashy lines, you know him
(You know him)
He got you covered
And you'll know it right our front
Hey, fifty dollars
He'll get you all you want
Jojo dig those spinning lights
Way out games and dizzy heights below him
And it's all below him
Jojo dig those Broadway nights
Flashy lines, you know him
Ever so rarely that man in a million's born
Gentle and soft, but who'd just as soon off you
For looking the wrong way as not
(Jojo)
Go Jo
His baby stays high
Got to keep her sweet
He keep her just right
Keeps her on the street
Jojo dig those spinning lights
Way out games and dizzy heights, oh, below him
Jojo dig those Broadway nights
Flashy lines oh, you know him
Do you know you are so nice
Do you care
I'd love to take you home
Jojo dig those spinning lights
Way out games and dizzy heights below him
Jojo dig those broadway nights
Flashy lines, you know him.
Say, what do you think of gentlemen wearing mink

Gentle and soft but who'd just as soon off you
For looking the wrong way as not
(Jojo)
Go Jo
So you can't hang you
Jojo guide them
Though he would'nt need to
He'd be love to, ahh
Jojo dig those spinning lights
Way out games and dizzy heights below him
Man is worth loving
Jojo dig those Broadway nights
Flashy lines, you know him
(Yeah)
Yeah yeah
Jojo, our love can grow
Jojo, now, now, now
