Strangers Are Strange

Unknown Mortal Orchestra

can't be my friend
can't be my friendits fun to pretend
that were not in love
so we can fall in to love againcan't be my friend
can't be my friendits fun to pretend
that were not in love
so we can fall in to love againfloat and star deceit to fight
dont know how sleaze can die
theres a madness in your plancan't be my friend
can't be my friendits fun to pretend
that we are strangers
so we can be strange like strangers are strangecant be my friend
cant be my friendits fun to pretend
that we are strangers
so we can be strange like strangers are strangefloat and star deceit to fight
dont know how sleaze can die
theres a madness in your plan
