

Strangers Are Strange

Unknown Mortal Orchestra

can't be my friend
can't be my friend its fun to pretend
that were not in love
so we can fall in to love again can't be my friend
can't be my friend its fun to pretend
that were not in love
so we can fall in to love again float and star deceit to fight
dont know how sleaze can die
theres a madness in your plan can't be my friend
can't be my friend its fun to pretend
that we are strangers
so we can be strange like strangers are strange cant be my friend
cant be my friend its fun to pretend
that we are strangers
so we can be strange like strangers are strange float and star deceit to fight
dont know how sleaze can die
theres a madness in your plan
