Wrong Turn

Jack Johnson

And I'll wait here a while Just long enough to be sure That you didn't make a wrong turnAnd I'll wait long enough Maybe an hour or two Before I decide it wasn't me, it was you It wasn't me it was youAnd I would like you to know Although it seems sad to say This was only the worst hour of my day The worst hour of my dayHow long has it been on your mind? Do you think about it when we laugh? I think that it's a big mistake Because I think that we could make it lastEven if it's just for a while I'll wait here for now Just long enough to be sure That you really wanna go through with this Cause I don't really wanna go through with this Do you really wanna go through with this?
