Pandora

Jacquees

Ah, ah, ah, ah, ah
Lovebirds, lovebirds ooh
Na oh, Na oh, Na oh
Na ohhh, oh, oh, oh
Oh, oh, aye yeahhh
Yea ohhh-ohh uh uh
Uhhhh-uhuh, yeah yeah yeahHoney I'm home, I've had a long day
I don't really wanna talk about it so
Play our song, we jam, we joking
It makes me feel good yeah
Right now it's on song after song
We're in our zone
Listening to the music
Not one thing is wrong
Not on our phones
Just me and you
Me and you and Pandora
Mmm Pandora, Pandora, Pandora
Pandora, Pandora
You like Beyonce station
I like Jay-Z, yeah, yeah
Pandora, Pandora
Make me feel good at the end of the day, going to the night have it our way.
Why do I do Oh do-do-zi-do-do-do-zi, I know yeah, yeah, yeah, yeah, oh, ohI'm on this plane
Clouds full of the rain
Back to the A, thinking about you
One thing's for sure
When I get home
We're in our mode tonight
Can't wait to see it
Now my heart is feening for ya
And our threesome with the music
Pandora's on walk through the door
To no surprise, your girls are waiting for me, yeahh
Pandora, Pandora, Pandora, Pandora, I want just you
And the music to Pandora, uh, Pandora, Pandora
Red cup in my hand
As we slow dance to Pandora
Pandora, I want Pandora,

Pandora
Pandora, Pandora
End of the day we going to the night have it our way
Just me, you, and Pandora. I want Pandora, Pandora...
Our way going to the niiiiiiigghhttt...
