

# Sin For A Sin

Miranda Lambert

I remember vividly what that vision did to me  
You laying with her in our bed  
Love can be a tragedy when you do what you did to me  
All I'm seeing now is red  
I need to repent  
A sin for a sin  
Bible told me to forget all those who trespass against  
Tread their feet on sacred ground  
Bad things come with consequence what feels good hurts in the end  
Don't wanna think about that now  
I need to repent  
A sin for a sin  
Fire and brimstone, dirt and a headstone  
Bury them baby, all of our sins  
  
Hear the thunder six feet under  
Hit your knees, won't do it again  
Guilty pleasure ease the pain  
Whiskey running through my veins  
Too late to save you now  
I need to repent  
A sin for a sin  
Fire and brimstone, dirt and a headstone  
Bury them baby, all of our sins  
Hear the thunder six feet under  
Hit your knees, won't do it again  
I remember vividly what that vision did to me
