

Why

Uncle Jed

Oh I could die, a thousand times
but living is so much sweeter
Same things to do, the same old you
but feeling you is neaterWould my eyes avoid that light that shine
Would my heart avoid the love that come
Would it all come so fast that I would turn around and it will be all over
Same talk to share
I'm well aware
but nothings gonna change that
Well it's cutting it short
That feelings cold
And maybe we should take it a little slower
Maybe we should fly a little lower
Maybe we should stand a little longer
Maybe we should starve from getting stronger
Maybe we would be much better sober
Maybe wake me up when its overDreamin like a fool in A
name a price and that is what they'll pay you
Oh why
Ohh why
Ohh why
Ohh why
Would you live like that
Oh I could hide one thousand lies
But thats only a preacher
There's just one truth
Then there's just one you
And you only get olderWell it's cutting short
That feelings cold
And maybe we should take a little slower
Maybe we should fly a little lower
Maybe we should stand a little longer
Maybe we should starve from getting stronger
Maybe we would be much better sober
Maybe wake me up when it's overDreamin like a fool in A...
Name a price and that is what they'll pay you
Why
Ohh why
Ohh why

Ohh why
Would you live like thatTake it down baby take it down
 Take it down baby take it down
 Take it down baby take it down
Its just as wrong baby take it downTake it down baby take it down
 Take it down baby take it down
 Take it down baby take it down
Its just as wrong baby take it downOh Why
 Ohh why
 Ohh why
 Ohh why
 Would you live like that
