## Gloria

## **Mineral**

A brave morning Thoughts flap their wings and fly And I can still taste Defeat on my lipsBright tie, fish fly I have not yet arrived How can I not admit I need to know youCause I just want to be Something more than the mud in your eyes I want to be the clay in your handsHey sorrow where are you Tomorrow just won't be the same Without you here I'll wish for shoulders bold and broad to bear And strength to hold my head above themCause I just want to be Something more than the mud in your eyes I want to be the clay in your handsCause Gloria is silent And glory is a silent thing
