

Real Situation

Bob Marley & The Wailers

Check out the real situation:
Nation war against nation.
Where did it all begin?
When will it end?
Well, it seems like: total destruction the only solution,
And there aint no use: no one can stop them now.
Aint no use: nobody can stop them now. Give them an inch, they take a yard;
Give them a yard, they take a mile (ooh);
Once a man and twice a child
And everything is just for a while.
It seems like: total destruction the only solution,
And there aint no use: no one can stop them now.
There aint no use: no one can stop them now;
Aint no use: no one can stop them now;
There aint no use: no one can stop them now. Check in the real situation (check it out, check it out):
Nation fight against nation
Where did it all begin? Wo-oo-o-o-oh!
Where will it end?
Well, it seems like: total destruction the only solution.
Mmm, no use: cant stop them;
Waint no use: ya cant stop them;
Aint no use: no one cant stop them now;
Cant stop them now (no one cant stop them now). There aint no use: no one cant stop them now.
Everybody strugglin: aint no use aint no use -
Aint no use you even try;
Aint no use: got to say bye-bye!
Aint no use! Aint no aint no use: no one can stop them now
(No one can stop them now) [fadeout]
