# Prove Me Wrong

## Antiskeptic

Do you feel?
Feel the way I feel
Do you believe in the lies that I told?
Do you love?
Love the way I loved
Are you feeling the peace that I knowDo you believe?
Or do you feel the same and want me to go?
Coz I don't know if I can be the same and be this sane
Do you believe?
Or do you feel the same and want me to go?
Coz I don't know you anymoreDo you feel?
Feel the way I feel
Are you feeling the life that I told?
Do you love?
Love the way I loved
Are you feeling the peace that I've shownDo you believe?
Or do you feel the same and want me to go?
Coz I don't know if I can be the same and be this sane
Do you believe?
Or do you feel the same and want me to go?
Coz I don't know you anymore
