

# Ready Or Not

## Oomph!

Eckstein, eckstein  
Welcome to my playtime  
Eckstein, eckstein  
If you peek, then you'll die Once again I lie and wait here  
Time to play our little game  
If I find you then it's fate, dear  
Just me winning once again And now I can hear you breathing  
And now I can smell your fear  
I can't wait now 'cause I'm seething  
I'll make you my souvenir Eckstein, eckstein  
Welcome to my playtime  
Eckstein, eckstein  
If you peek, then you'll die Eins, zwei, drei, vier  
Funf, sechs, sieben, acht, neun, zehn Ready or not, I'm coming  
Ready or not, I'm coming  
Ready or not, I'm coming  
Pray to your god, I'm coming  
Hide your soul Always longing for your touches  
Always dreaming of your hair  
Once I have you in my clutches  
That's when we'll play truth or dare Eckstein, eckstein  
Welcome to my playtime  
Eckstein, eckstein  
If you peek, then you'll die Eins, zwei, drei, vier  
Funf, sechs, sieben, acht, neun, zehn Ready or not, I'm coming  
Ready or not, I'm coming  
Ready or not, I'm coming  
Pray to your god, I'm coming  
Hide your soul (Go hide now)
