Go To Her

Jefferson Airplane

Go to her
She waits
She lies
Beating for youGo to her
She waits
She lies
Screaming for youI never thought I'd see the day
When the shadow would move up and sayGo to her
She lay
Waiting for youGo to her
She waits
She lies
Longing for youGo to her
She waits
She lies
Only for youThere's something in my bed
So help me lord I'm afraidGo to her
She lay
Waiting for youI can still remember the day
When he first won my heart
On a hillside where we lay
He said we would never partSo help how was I to know
My leaving would hurt her soGo to her
She lay
Waiting for youGo to her
She lay
Waiting for youHelp how was I to know
My leaving would hurt her soGo to her
She lay
Waiting for youGo to her
She lay
Waiting for youHelp how was I to know
My leaving would hurt her soGo to her
She lay
Waiting for youGo to her
She lay
Waiting for youGo to her
She waits
She lies

Beating for youGo to her
She waits
She lies
Screaming for youGo to her
She waits
She lies
All for youGo to her
She lay
Dying for youGo to her
She lay
Crying for you
Go to her
Go to her
