Empty Streets

TV/TV

The city feels clean this time of night
Just empty streets and me walking home
To clear my head
And though it came as no surprise
I'm affected more than I had guessed
On what was said
If love's not meant to be
If the heart's not ready to open
If we make it I won't see
It's broken
If love's not meant to be
If the heart's not ready to open
If we make it I won't see
How it's broken
How
It's the quiet time before the dawn
And I'm half past making sense of it
Was I wrong?
Should I think to give it all
In a world where not much ever seems
To last long
If love's not meant to be
If the heart's not ready to open
If we make it I won't see
It's broken
If love's not meant to be
If the heart's not ready to open
If we make it I won't see
How it's broken
If love's not meant to be
If the heart's not ready to open
If we make it I won't see
It's broken
If love's not meant to be
If the heart's not ready to open
If we make it I won't see
How it's broken
How
How

How
