

Empty Streets

TV/TV

The city feels clean this time of night
Just empty streets and me walking home

To clear my head

And though it came as no surprise
I'm affected more than I had guessed

On what was said

If love's not meant to be
If the heart's not ready to open

If we make it I won't see

It's broken

If love's not meant to be
If the heart's not ready to open

If we make it I won't see

How it's broken

How

It's the quiet time before the dawn
And I'm half past making sense of it

Was I wrong?

Should I think to give it all
In a world where not much ever seems

To last long

If love's not meant to be
If the heart's not ready to open

If we make it I won't see

It's broken

If love's not meant to be
If the heart's not ready to open

If we make it I won't see

How it's broken

If love's not meant to be
If the heart's not ready to open

If we make it I won't see

It's broken

If love's not meant to be
If the heart's not ready to open

If we make it I won't see

How it's broken

How

How

How

How
